C,ya on the trails! Ride on, Tom Niemela

Oregon's statewide off-road sanctioning organization

It's time once again for the annual OMRA Awards Banquet, February 7th!

The location will again be at the Oregon City Elks Lodge at 610 McLaughlin Blvd., Oregon City, OR 97045. Year-end awards will be presented, sponsors will be recognized, pictures will be taken, and the roasting, benchracing and ribbings will run rampant. If your name is listed with a "T" in the results, (see year-end results) that means that you did well and will receive a trophy! Dinner is only \$16 per person, pay at the door. No-host bar at 5PM, dinner at 6PM and awards at 7PM. **You must RSVP no later than January 31st or risk no food to eat or place to sit!** For details and reservations, call Julie Barrell [(503)-678-2779] ASAP for this fun event! **We plan on having a place for clubs to display their pictures or whatever, so be sure to bring items or pictures of what your club has been doing lately also! Dealers: please bring your wares to display too! See you there!**

I Be The Referee

By Ellis Cookman, Referee

Well it's time to finish the year as the new ref. I was asked to put together some ideas for the GP rules and it went well. I took them to the monthly meetings and all the officers looked them over and made them sound good. I do not have the best grammar. After that we took them to the yearly calendar meeting and had the OMRA members vote on them. It's a good start. 2004 is upon us and it's time to look at the cross-country and ISDE rules. As our sport changes, so do our rules. One of the problems I have found is some of our rules are what we call 'past practice'. That means we know what the intent of the rule is, but we do not have them written down. So in '04 I will head up a committee to update the rest of the rules. I'm excited to tell you that we just voted Gunny Claypoole (Beaverton Honda) as our newest referee. He has a ton of knowledge about racing. He has been racing a long time and helps head up the ISDE team. I'm talking the red-white-and-blue team. He has traveled all over the world with our team. He will be helping me with the changes. One of our goals is to stay as close as possible with the AMA rules. Why reinvent the wheel? Sometimes we will add to them. We had to do that with the GP rules. AMA states that to finish a GP you need to finish 50% of the leaders laps. What happened to us was some riders were going 50% and then quitting and leaving the track. We decided to add the need to compete for the

whole race time. You may have a problem and need to fix your bike or crash and need time to see straight. That's OK, just wait until you see the checkered flag and then ride through the finish chute. They will check your tag and as long as you did the 50%, you qualify for the finish. I won't bore you with all the rules we need to look at, just remember to read what we have on the web site and follow them. If there is a problem we can figure it out. If you want to talk to me about any of this, E-mail me or write me a letter. You will find me at the track. I will have a large OMRA banner that I will put on my truck. The more people who see us out there, the more we can help you the racer. Thanks for reading this and hope to see you at the banquet. Wait until you hear what we are doing to the trophies!

Mystery Photo!

Who is this man? [Answer on last page]

(circa 1971) He has won numerous national MX titles, MX Des Nations, teaches MX Schools and (here's the giveaway) he's even done stunts at racing announcer on TV. (Yes, this picture is a Yamaha Mini-Enduro painted to look like a Bultaco!)
