Protecting your right to ride!

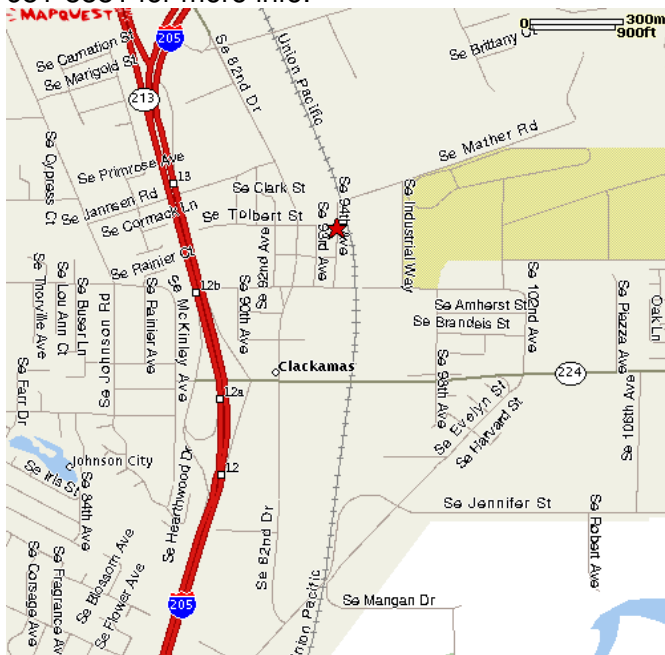

and ATVs too!

Be SURE to show up at the upcoming Calendar Meeting, as we'll have plenty to talk about. This is also a great time to visit with other members and clubs to see what all is going on around our great state. Keep the dry side up and the dirty side down! C,ya on the trails! Ride on, Tom Niemela, Editor

Oregon's statewide off-road sanctioning organization

Upcoming Annual OMRA Calendar Meeting on Saturday, November 5th at Lobos' Clubhouse, 94th and Talbert, Oregon City, OR.

Start time for the meeting is 9:00 AM prompt at Lobos' Clubhouse (yellow quonset hut) located on the corner of 94th and Talbert, (behind DMV) in Oregon City. This meeting is to establish event dates for the upcoming year, modify or change rules (if needed), vote for new officers, etc. All OMRA members are welcome and a representative from each club should attend. A club member or representative MUST show to reserve an existing date for the upcoming year. If a representative from your club cannot show, then you must communicate this to an OMRA Officer beforehand with your specific dates (letter or email is preferred). Otherwise your date will be open for use by another club. Up for this year's re-election is President, Treasurer and Secretary. Coffee and donuts will be available. Call 503-678-2779 or 503-681-8881 for more info.

© 2002 MapQuest.com, Inc. © 2002 Navigation Technologies

Proposed new rule changes/mods to be decided on at the upcoming Annual OMRA Calendar Meeting on November 5th:

Proposal: The top 6 overall finishers at the end of the season (expert or amateur) will be required to race in the AA class the following year. This applies to the cross-country series only. If a rider gets 1st overall in any event he will go into the AA class for cross-country.

Proposal: Decide who votes at the OMRA calendar meeting and how to have fair representation by members and clubs.

Proposal: To have the checkered flag given when the first rider has completed the designate miles of a race.

Proposal: Define pit row with more detail.

Proposal: To be eligible for worker points the rider must work a full day of the day/duration of the event.

Proposal: To offer a representative position to a club that belongs to OMRA

Proposal: A club can only grandfather an event date for one year and must use the date the following year. If unable to hold an event, then the date becomes open.

Proposal: to have a 70-young class, non-points

Proposal: To eliminate the 250 class for amateur and expert for both cross-country and grand prix. Use FIM classes?

Proposal: To eliminate the OMRA grand prix teams.

Proposal: To hold an elected position within OMRA, you must:
 1) Be a member of an OMRA sanctioned club for one year or attend and help at an OMRA event.
 2) Nomination must be submitted by an OMRA member
 3) Nominations must be submitted no later than one month prior to the calendar meeting to the OMRA board for approval via e-mail or letter.

Proposal: Create a 4-stroke class? [Note: we have had this in the past and participation was sparse. Now that 4-strokes are becoming more popular, it is questionable to offer this]

Meet one of our primary sponsors: MotoSport Hillsboro

Greetings from the MotoSport Hillsboro family.

I said family because that's what stands out about our sport and that's how we connect with our customers. Whether you are old school, new school, dirt, street, Ricky Racer or Joe Moto, there are friendly and knowledgeable staff at MotoSport Hillsboro to help you express the motorcycle or ATV enthusiast in you. You are in luck because we have lots of new and used bikes and ATV's for your pleasure. Remember this: you are the reason we are here, well Ed (the owner) loves racing dirt

bikes too! Honestly though, we would like very much for our customers to share in the delight that brought us to this industry. Fun for the entire family on safe and dependable motorcycles and ATV's (OK so horsepower has a role in this picture too).

We have a great bunch of guys on our sales floor that can help educate you about what you want or need. We offer great financing and if you can't scrape up a down payment then let us help you get creative. Bring in your trade, it might be a boat, car, dune buggy or something else. We hope you ask the questions you need to so we can provide you with the best value. Our sales department has recently been putting together some really trick ATV packages, a full meal deal if you will. For example: our Kawasaki 750 Bruteforce ATV with everything from wheels and tires, heated grips, water/fuel storage to gun racks, trunks, winch, skid plates, hi-performance jetting and ignition tuning. Can you imagine all this on a single ATV? The answer is yes and bring it to the woods or wherever you like to go, on its own trailer, or just load it into your truck with some ATV ramps.

For the racer crowd, the MotoSport Hillsboro service department now has one of the top suspension tuners in the area. Race Tech certified with Motocross and Off Road experience. Come in and tell us when and where it is trying to eject you, and we can make it work better. Nothing gives confidence like having your suspension set up just for you.

That's what we're about here, friendly knowledgeable sales and service people, great prices on our new and used, mail order catalog pricing on our parts and accessories, so you can get that bike or quad and add those personal touches that make it your own. See you out at the track or trail and remember to keep the rubber down and your feet below your head.

Rob Russell - \$250
Imperial Gardening - \$30 plus another \$510!
NW Tour & Trail - \$200
Jason Mosiman - \$30
Wally Flanner - \$10
Jeff Hassebroak - \$20
Mike Perrotti - \$10

OMRA Benefit Ride

Numerous OMRA clubs, specifically Lobos, Mt. Scott and Trailsmen, got together to host the Benefit Run at Diamond Mill in Tillamook State Forest. The exorbitant cost of litigation fees and numerous legal battles the OMRA has been fighting has steadily been draining the

Legislative Fund. Proactive efforts by the clubs who care about our future of off-roading riding has once again helped to fund the good fight on these issues. This was so successful that making this an annual event is in order!

AND MORE HUGE PROPS TO OUR FIRST OMRA LIFE MEMBER: RICHARD JOHNSON!

Richard is a 30X class racer and showed his support by signing up for the full-on life membership. Thank you Richard!

ATV Series Update

The First OMRA-ATV season has been great. Huge success with over 24 riders consistently showing and competing! In and out of events are riders coming from all over Washington, Oregon and a few adjacent states. We've had recreation lists, off-roaders, utility riders, WORCS-level riders and MX'ers trying the new program out and giving great feedback! A few weeks ago at Washougal over 50 ATV riders came to play in the GP event! Surely many of these will be joining the series next year!

The riders are asking for even more events or more variety. The Over The Bars Gang stepped up this year and provided the base for the series. Mt. Scott, a great motorcycle club with a long history of supporting off-roading, jumped up in September and opened the Dick Jagow Memorial GP to the ATV world – what a hit!

For next year's series there are hopes of events in Heppner, Longview, Thurston and a few others. What we will need are clubs or promoters to step up and plan these out. If you build it they will come! Those interested in running events

this next year – make sure you start communicating that on the OMRA web sight or directly to Ed Ariniello, Dean Waters or another committee member as soon as you can. What we will need is: who, what, where, and a few dates that you might be thinking of. There are a couple more events this season and then we'll wrap up this historical year for the winter! Remember to encourage riders to; join the OMRA to protect our riding rights, to come to our events and have some fun! -Ed Ariniello, ATV Director

“Uh Oh...”

OMRA ACTION ALERT!

Proposed opportunities in Mt. Hood N. F. - comments needed!

At the present, there is only ONE riding area on Mt. Hood, which they don't even advertise on their maps (McCubbin's Gulch). Here's a rare opportunity to help create some opportunities for OHV use. Check out what they are proposing, although I doubt that all of them will be approved (click the link below):

<http://www.fs.fed.us/r6/mthood/projects/index.shtml#rec>

[Listed under "Recreation"] I suggest you submit your input and point out that we need loops (not out and backs of the same path), routes that connect these riding areas together and that we need "trails", not Sweco'd, 4WD roads for our riding.

Before you make your submissions, check out the public comments page about the proposed OHV areas. Obviously, the enviro extremists are trying their usual ploys. Please be sure your comments look good and sound intelligent, instead of some of the postings by the extremists.

<http://www.fs.fed.us/r6/mthood/projects/ohv-routes/comments.shtml>

If you don't get involved, then don't complain about lost opportunities and no riding areas! -Tom

Legal update!

Ben Smith Road is back on. Hussys have refused to settle. Our attorney has agreed to keep a low profile and file the minimum paper work. UPDATE: Hussy's home on Ben Smith road has mysteriously been torched. [sounds suspiciously like insurance scam?] Caught fire and is nuked. Hopefully this is the end of the lawsuit on Ben Smith Road. Many thanks to the OMRA's efforts and the partners in this fight: The Oregon Hunters Assoc.!

House Bill 3502: Was planning to take 35% of the All Terrain Allocation Committee money annually for the Oregon State Fair Grounds. Result: Thanks to the OMRA, its members and everyone's efforts, this was defeated! Woohoo! Now the question is, how and why would State Parts even consider this raiding of our funds??!! Does State Parks truly have our best interests at heart?

Sprockets, Spokes, Springs and Jokes

- Start making plans now for the Annual OMRA Awards & Benefit Banquet! This is generally the first Saturday in February, so start making plans for displays and updates at this fun event!
- Please **welcome a new club, ULTRA, to OMRA!** As some of you already know, they are a new club in the Roseburg area and they have an upcoming poker run at the Big K Ranch in Elkton on October 16. Their website is: <http://www.ultraohv.org/> For those of you who have never ridden that area, well this is your chance, plus you can show your support for the new club!
- For those of you interested: The newly released DVD of the movie "**Dust To Glory**" will be sold at Walmart, Sears, Best Buy and Blockbuster! It was released on 8/23. Enjoy the best film ever since On Any Sunday 1 & 2 !!!! (Yes, it's THAT good!)
- Be aware that starting the middle of August, **BLM now requires OHV permits on all their 'public' lands** administered by BLM. Rule is in full at:

<http://a257.g.akamaitech.net/7/257/2422/01jan20051800/edoc.ket.access.gpo.gov/2005/05-16162.htm>

- **Congratulations to Dick Dufourd and his recent retirement** from the USFS in Bend!! After many years working for the USFS and tirelessly promoting OHV issues, he's decided to bail from the FS and do some things on his own. Congrats Dick!
- **We have updated the membership form on the website.** Differences are a small increase in dues (first time in over 20 years), a "club" card membership option, added the ATV Series, added the GP Race Team Series, plus a 'Life Membership option. You can download the newest membership form off the website here: www.omra-online.org/member.htm
- **Joe and Julie Barrell now have a new email address:** jjtr12@netscape.com Please make note of it.
- **Tip:** To prevent your axles and linkage from rusting in our Oregon wet weather, smear a thin layer of Anti-Sieze onto the part before applying a good, waterproof grease. Rust never sleeps.
- **Tip2:** Of course you carry a spare 21" front tube with you when you ride, right? Of course! You also know that 21" tube will work if needed in the rear tire too. Did you also know that you should inspect this spare tube that you've been packing around for years to be sure it actually still holds air? Don't wait until you need it.

Mystery Photo!

Who is this man? [Answer on last page] This man earned gold medals in the [then called] ISDT and was one of the first Americans to compete in the World Championship Motocross Grand Prix circuit in Europe during the 1950s. After his racing career, he went on to become one of Hollywood's leading stuntmen. His most famous stunt was the climactic motorcycle jump scene in the 1963 movie, "The Great Escape," (pictured) starring another famous motorcyclist, Steve McQueen. Many think it was McQueen who made the jump, but it was this man.

ADVENTURE ENDURO

OMRA
Sanctioned

ISDE STYLE

November 6, 2005 - Jacksonville, Oregon

AMA
Sanctioned

What is it?

Similar to the International Six Days Enduro but just one day. It is a fun and challenging cross country course of trails and roads 30 to 70 miles, length depending on what class you ride. You will start 3 riders per minute, so you can ride with a friend, experts first, amateurs later. There are check points where you can rest if you arrive on time. There are several short "special tests" where you will be timed. Finishers will receive a gold, silver, or bronze medal.

Equipment

No computers, odometers, or lights needed, this is not a time keeping enduro. You do need a quiet muffler and spark arrestor for the strict 99db sound test, three number plates with assigned numbers, and an OHV sticker (available at sign up). No refunds if you fail sound test, so come prepared.

Location

From Jacksonville go west on Hwy 238 towards Grants Pass one mile and turn right on Jacksonville Reservoir Rd. Follow the arrows for 3 miles to the MRA club grounds. The road has been graded and improved.

Accommodations

Free primitive camping at club grounds. Local motels are Stage Lodge 541-899-3953, Best Western 541-779-5085, Magnolia Inn 541-899-0255.

Memberships

AMA membership mandatory and available at signup. OMRA membership optional but needed for season points. MRA membership optional but will help keep and make places to ride in Oregon.

Time

Signup, tech inspection, and impound 7:00 am to 9:30 am Sunday, experts must impound by 9:00, amateurs by 9:30. First experts start at 10:00 am. First amateurs start about 10:30. Riders meeting at 9:30 am.

Entry

\$40 pre entry received by OCTOBER 30. Post entry \$50.

Pre entry highly recommended to receive pre race info and numbers. Minors must have legal guardian at sign up or notarized permission form. No refunds unless race is cancelled.

Send entries to MRA 3850 Pioneer Rd Medford OR 97501.

For information call Chuck at 541-535-4299
