The Oregon Motorcycle Riders Association (OMRA) and its various clubs will be hosting their annual legislative-funding event. Your favorite clubs have come together to hold this fund raiser to help keep some of the greatest trails in the world open and protected! If you love riding in the Tillamook State Forest, come join us for a great time!

This event will be a family-oriented poker run and there will be prizes and gift certificates donated from regional businesses! The courses will consist of an easy route (approximately 30 miles) and a more challenging course (motorbikes only) consisting of approximately 35 miles. All OHVs (motorbikes, ATVs) are welcome.

Requirements: to be compliant in Tillamook State Forest, all vehicles must have proper State OHV Tags, spark arrestors and all riders must wear helmets. State OHV Tags can be purchased at your local DMV, local OHV shops or locally at the Glenwood Store on Hwy 6.

Proceeds go directly to the OMRA Legislative Fund that pays for legal fees to fight the continual OHV access closures throughout the state. This is a great opportunity to donate and help fund the good fight, plus have a great time! For more information on this event, please visit the OMRA website at: www.omraoffroad.com

About OMRA: The OMRA consists of responsible off-road and dualsport riders striving to promote, preserve and enjoy riding in Oregon - your statewide sanctioning organization since 1972. It is a member-run organization, whose main purpose is to unite responsible trail riders, racers and dualsport riders who wish to promote, preserve and protect enjoyable off-road recreation while promoting a family-oriented atmosphere.
