Ride on, **Tom Niemela**

From the Prez

By Joe Barrell

Welcome to the OMRA summer newsletter. It has been a good race season with some quality events and riding opportunities. A congratulation to the riders for using their assigned rider numbers letters and bars. Off road racing starting to look professional once again. Riders remember that you must use contrasting colors on the side panels and front number plate with number/letters on all three sides of your bike. The clubs are not responsible to figure out your number and letter: it lies with the riders. I would like to thank the

clubs for following OMRA rules for the events. We still need some improving on arrows, results and making sure riders are OMRA members. The winter newsletter will have the OMRA rules. Make sure that you read and follow them for the upcoming season. [They are also posted on the OMRA Website] We are being watched so we must have a professional system in place. So far we have three proposed rule changes for the November meeting. 1. Limiting the number of team race per series. 2. That there be three number plates for ISDE events. 3. Have an ambulance or a medical personal on site of the events. If you have comments please submit them in writing to the OMRA P.O. Box 2984 Tualatin, OR 97062-2984. Your concerns must be in writing. Any clubs or individuals who have a few minutes and would like to take the time in writing a article please feel free to do so. Submit articles and or pictures to the OMRA post office box. See you at the races. -Joe

Sprockets, tires, springs and things...

- From webmaster, Bill Law: OMRA will be getting a new web address, we have a domain name: www.omra-online.org. Sterling communications is hosting it for us (one of the guys in Trailsmen). Same thing for Trailsmen. It will be: www.trailsmen.org. I expect stuff to be up there within a few weeks. I will keep the teleport address active for a few months and redirect to the new website.
- We want to hear from you and/or your club! Please send in info to my email. Pictures also help. -Tom
- **NEW OMRA MAILING ADDRESS:** PO Box 2984, Tualatin, OR, 97062-2984. Please make a note of it.
- All clubs need to submit organized and legible event results promptly to points director Randy Haugstad. Please also include worker points and DNF's! Clear, legible results MUST be submitted within two weeks after an event. If the results are not legible, then the event is NOT sanctioned. Clubs must send results to riders. Many thanx to the clubs so far that have been prompt with results, and to Randy Haugstad for doing such a great job with it.

- Trailsmen benefit team race on August 4, 2001 was a blast. We had a total of 34 teams that rode a 14-mile course. We had the pleasure of having Richard Chapman do the start with Mark doing paper work, Sharon doing the check and Jeff Zertanna doing the checkered flag. Total dollars \$3790.31. Special thanks go to D&S Cycle, Hillsboro Honda, Affordable Trophies. August 5, 2001 was our Tillamook 100 miler. We had sunny weather with a two-loop section and no major injuries and fun was had by all.
- You can see the France ISDE results at: <http://www.isde-france.com/english/index2.html>
- Kids Field Day August 11 and 12, 2001 is one of our annual events. This event is held typically out of the Diamond Mill area. This event is strictly for the kids. Although on Sunday a slot is held open for the adults if they have the courage. All of the games are held in the parking lot or near by. Games range from skill to pure luck. Every child who enters is a winner no matter how you do. Trophies and prizes are available for all of the kids .So if you have kids you won't want to miss this event next year.

Jeff Zertanna Injury Update

By Julie Barrell

Jeff was released from Emanuel Hospital on August 16, 2001. He will continue rehab therapy for about a year. With his continual hard work they are hoping for a full recovery. Total dollars raised for the Zertanna's family is \$3790.31. Riding gear that was donated from D& S Cycle goes to Ace Nilson from Reedsport and the signed riding shirt from Hillsboro Honda was won by a rider that would like to remain anonymous, however the shirt was given to Jeff. Special thanks to the Trailsmen, E.T.R.A., Hillsboro, Honda, D&S cycle, Affordable Trophies and to all of you who donated. I would like to thank each and every one of you for helping the Zertanna's.

Not only by the dollars but also with support and kindness that was demonstrated at the Team Race for the family.

OMRA Donates To Team USA ISDE

By Gunny Claypoole, Team USA ISDE Manager

Money was donated from the OMRA, which was used to purchase a custom made 10X15 EZ-UP for the U.S. ISDE team. The EZ-UP is red/white/and blue with Team USA on the 4 peaked sides. The valance that runs around the top has the "Donated By" with the OMRA logo all the way around. The EZ-UPs are used by the US team at the various checkpoints for the US workers and riders alike to use.

The US Team is supported solely by donations and sales of ISDE T-Shirts. The club teams are named for AMA clubs and/or supporters that sponsor a team with a minimum donation of \$500.00. The Trailsman MC Club made such a donation this year. Also from the Northwest area JAFMAR Racing both sponsored a club team and donated 2 EZ-UPs. Plus Beaverton Honda-Yamaha donated a 9hp/3000 lb. pressure washer to the team so they can clean all the equipment before its returned to the US - thus avoiding customs hassles.

As the manager of the US team I am really proud to be from the Northwest and a member of OMRA.

More data from Chuck Steahly

Club member Derek Steahly and Jeremy Puma, both of Medford, are going to France to compete in the International Six Days Enduro (ISDE). The ISDE, considered the Olympics of off road racing, is held every year in a different country. This year it is in Brive, France from August 23 to September 1. The 600 riders from all over the world will ride approximately 150 miles per day for six days in a row. They must maintain a difficult time schedule to arrive at the checkpoints without losing points. Only the riders are allowed to work on the motorcycles. Bikes are impounded at the end of each day so that all work done to them is limited to only a few minutes. There are several special tests each day, which are short timed races, which add to a riders score. All riders who finish within one hour of their schedule receive gold, silver, or bronze medals and just finishing is considered a great accomplishment.

Forty riders are going for the USA Team. The USA riders qualify by riding in two-day enduros held in different parts of the country. The six best riders from each country are also selected for the World Trophy Team and the winners of the World Trophy are considered the best in the world.

Most riders must pay their own way, including shipping the motorcycle, airfare, meals, hotel, rental car, etc. Team USA helps to organize the pit crews and supplies a large shipping container for sending over motorcycles, tools and parts. Because it takes about a month for the container to get to France, Derek and Jeremy had to prepare their bikes, crate them, and drive them to Oakland with less than a week notice. Both young men are riding KTM 250s. Derek is 19 years old and Jeremy is 22 years old.

Also going to the ISDE are Oregon riders Bill Rush and John Yates.
