

## Year 1996 OMRA Series Points Totals

By OMRA Points Director, Dr. Dave Cook

(An asterisk [\*] denotes the riders receiving a year-end plaque. A plus [+] denotes the riders that must transfer to the Expert class of their choice for 1997, due to accumulating enough transfer points in an Amateur class. Worker points have also been added to these results and are up to the rider to make sure they are submitted to the points director.
